

About EPC - Executive Protection Consultants

EPC Executive Protection Consultants based in South Florida offers the highest quality executive protection and corporate security consulting services. Our primary goal is to provide you with discreet protective services which are proactively-oriented towards our belief in non-confrontation whenever possible. Our staff is thoroughly trained in all necessary methods of defense and techniques to diffuse situations, as well as CPR, First Aid and Defensive Driving. We provide a wide range of services to meet the unique needs of our diverse group of clients, and understand thoroughly that excellent communication is the foundation to ensuring that an exceptional level of service is maintained throughout any assignment.

Our Mission Statement

Guided by a promise to our clientele to provide world class elite executive protection, we will implement the critical initiatives required to achieve this goal. It is the mission of Executive Protection Consultants to place the safety and security of our clients above all else: Setting and enforcing structure; providing guidance and education; establishing perimeters and ensuring secure environments. In these, we will deliver excellence and meet or exceed our commitments. Our long-term plans and short-term strategies will be shaped by the values we hold most dear – respect, professionalism, and integrity.
