

# Welcome to Executive Protection Consultants

We have extensive experience and expertise in Personal/Executive Protection with celebrities, royalty, high profile figures and CEO's. We offer proven abilities and believe in the theory of non-confrontational protection, although we are capable of defusing confrontation with force when necessary. Our client's safety is always our number one priority and objective, as demonstrated by our thorough planning and proper advance work. We are specialists at evaluating any situation quickly and taking appropriate actions. We always remain aware of details in the surrounding area, using the appropriate techniques learned through our extensive experience and training. We welcome the opportunity to discuss any situation, should you and your family have a need for EPC's experience, initiative, confidentiality, as well as moral and ethical values. We offer 24/7 Executive Protection services including:...

- Executive Protection
- Security Consulting
  
- Estate Security
  
- Bodyguard VIP Protection
- Travel Escort Services (People, assets, vacation)
- Executive Transportation / Security Driver
